

ANIMAL FUN?

Artwork by Jessica E McMath

September 1 – September 30, 2010

Art at the Kent Library/Friends of the Kent Library and AoTL

17 Sybil Ludington Crossing, Kent Lakes, NY

My love of art started as a child with picture books and reading. Seuss and Sendak brought me to Van Gogh and Kandinsky studying as an Education and Art major at SUNY Oswego. Now a married mother of three I've come back to the beginning.

If shape and color can create a smile
and a smile can bring joy, if only for a moment,
then that's what I hope to create.
