

PHOTOGRAPHER CASABURI TO OFFER VIDEO WORKSHOP AT ARTS ON THE LAKE

Photographer Chris Casaburi is scheduled to lead “Learn Basic Video Editing,” at Arts on the Lake, 640 Route 52, Lake Carmel, on Sunday, October 20, 3 – 5 pm.

Casaburi, who is the head of the Photo Group at AotL, has produced award-winning shorts in several recent film festivals. His company, Executive Photo Video, works with businesses and universities to tell stories.

Participants in the workshop will make, edit and upload a short video to YouTube.

Casaburi will have available editing programs, but participants are encouraged to bring a camera and any editing programs they have on a laptop to work with – if possible.

Casaburi will offer instruction in the basics of how to combine video, audio, photos and music to create the finished product.

Registration (\$10, \$8 for students/AotL members) is available at www.artsonthelake.org or (845) 228-2685.

The workshop is made possible, in part, by public funds from Putnam County. This grant program is managed and monitored by the Putnam Arts Council.
