## Photo Group Exhibit

May 9-11, 2014

The Photo Group of Arts on the Lake is pleased to announce our first Photography Exhibition. Photographs created via any form of photography will be accepted for consideration (ex: digital, alternative process, mixed media, digital manipulations, etc.) so long as the work is original, and part of the image is photographically created. All artwork must be wired, ready to hang. This exhibit is open to AOTL members 18 years and older.

NOTE: All weekend the Photo Group will be accepting 35mm film cameras for donation to the photography students of Carmel High School.
