

## *Art Squared 2017 Prospectus*

**Art Squared**, the unique annual fundraiser that offers all an unusual artistic opportunity, will be held February 18. Organized by the Visual Arts Committee to benefit Arts on the Lake programming, the unique format of this one night exhibition, auction, and celebration, provides participants and attendees a chance to create, view and purchase a wide variety of pieces - all in the same size format. The following details explain how to participate.

**Who:** Individuals who self-identify as artists or creative types working in any medium (music, writing, 2D/3D/4D visual art) are eligible to participate in *Art Squared*. Arts on the Lake membership is not required (though you are welcomed to join), and the age of the creator is not a parameter.

**What:** Participants are required to use the six-inch square(s) of foam core available through the Arts on the Lake Visual Arts Committee. Exhibition fees are \$10 for a single square, or three squares for \$25. There is no limit to the number of squares that can be purchased and exhibited by an individual artist. Fees are payable when the materials are picked up or mailed to Roy Volpe, 195 Ressique Road, Stormville, NY 12582 either in cash or with checks made out to Arts on the Lake.

Visual work can be done on one or both sides of the square(s). Three-dimensional works can extend a *total* of 3 inches from the flat sides of the six-inch foam core square: 3 inches from one side, or 1 inch from one side and 2 inches from the other side, or a different configuration in similar proportions. Work will be exhibited according to the needs of each piece; for instance, two-sided creations will be hung from the ceiling.

All creations anonymously submitted will be auctioned with an opening bid of \$10 with \$1 bid increments. All proceeds are contributed directly to Arts on the Lake.
